Report of United States Treasurer Deficit, and Gives Interesting Fiscal Facts-The Big Stock of Gold.

Washington, Oct. 31.-In his annual forth by Charles H. Treat, treasurer | lisions and 153 devailments affected of the United States.

It is stated in the report that the treasury's holdings of gold continues to attract the attention of in coupling and uncoupling cars was financiers both at home and abroad. It is apparent from the continued accumulation that a large share of the product of the gold mines of the world is brought to the United States. The gold coin and bullion in the treasury June 30, 1905, amounted to \$706,592,-399, and at the close of the fiscal year 1906 it advanced to \$807,051,690. By Oct. 26 it attained a maximum at \$877,296,238.

The monetary stock of the country took on a growth during the year of \$186,866,727, of which \$118,050,777 was In gold; \$5,450,396 in silver and \$65,-392,554 in national bank notes, while the treasury notes decreased \$2,027,-000. The aggregate stock of money at the close of the year was \$3,069,976,-**691**, of which \$2,736,646,628 was in circulation.

The national bank notes presented for redemption during the year a tounted to \$296,293,885 as against \$1 \8,298,760 in 1905.

'he United States paper currency Issued amounted to \$629,896,000 and the redemptions were \$577,445,100, a net increase in the volume outstanding of \$52,450,900.

The available cash balance June 30, 1906, was \$180,689,354, an increase of 12 months earlier.

The ordinary revenues and expend-Itures for the fiscal year 1906 was a surplus of \$25,669,322, as compared with a deficit of \$23,004,228 for the preceding year. A continuation of these conditions is reflected in the transactions for the first quarter of the current fiscal year, in which revenues were \$5,871,314 in excess of the expenditures.

The national bank depositories have been utilized during the year as a medium through which the excessive accumulation of money in the f trade. About April 1 an unusual Costringency in the money market was relieved by the temporary increase of public deposits with depository banks to enable them to import gold. Through this aid more than \$49,000,ance in banks to the credit of the general fund was \$102,708,123, the highest point reached during the fiscal year.

#### CONGRESSMAN HOAR

Buccumbed to Fatal Illness After Lingering Several Weeks.

Worcester, Mass., Nov. 2. - Representative Rockwood Hoar of the Third Massachusetts district, son of the late Senator George F. Hoar, died at his residence in this city after an illness of five weeks. Congressman Hoar since Sept. 26 was unable to take part in the campaign for his re-election to congress. At the time of his renomination, when it was thought his illness was of a temporary character, his written letter of acceptance was presented to the district convention. The congressman was first thought to be suffering from neuralgia, but alarming symptoms soon developed

More Bodies Found.

Atlantic City, N. J., Oct. 31. - The contention of Coroner Gaskill that a number of persons who lost their lives in the electric train wreck on the "Thoroughfare" bridge may be buried in the mud where the cars plunged was borne out when the bodies of three women were recovered from under the third car. This car hung from the abutment in the center of the bridge with its nose in the mud, and when the workmen were trying to lift it from the water the bodies worked loose. The finding of these bodies increases the official identified dead to 51 and the total number of bodies recovered to 54. There are now still known to be among the dead four mere, which re hes the certain many

The Land of BIG CROPS and PROSPERITY.

Are you making at much off your farm as you ought? No doubt you are making all you can. The trouble is the land costs too much. It takes too much money to buy a big farm, and so you are trying a I ving on a small farm, or perhaps you are renting one and paying a good share of what you raise, in rent. Wouldn't it be better to go where the price of good land is so little that you can own a big farm-where every acre of the ground is working for you and all you raise is paying you good profits?

There are thousands of acres of fertile land in the Southwest along the

line of the Cotton Bel. Route, that can be bought for from \$3 to \$10 an acre. This land is increasing in value each year.
